[*]	This is the footnote.
[†]	This is the footnote.
[‡]	This is the footnote.
[§]	This is the footnote.
CIT2002	This is the citation. It's just like a footnote, except the label is textual.
2(1, 2, 3)	This footnote is labeled manually, so its number is fixed.
1	This autonumber-labeled footnote will be labeled "1". It is the first auto-numbered footnote and no other footnote with label "1" exists. The order of the footnotes is used to determine numbering, not the order of the footnote references.
3	This footnote will be labeled "3". It is the second auto-numbered footnote, but footnote label "2" is already used.
